Tags: *Infrastructure and equipment, Human resources and training*

Donor Agencies: World Bank, Asian Development Bank

Progress reported

Progress in the provision of technical assistance and capacity building support:

(A) In-country border-agency cooperation:

The World Bank Group is providing loan assistance to the Ministry of Shipping to develop facilities and infrastructure only at four ports, namely Benapole, Bhomra, Sonamasjid and Burimari. Ministry of Shipping requires assistance from other development partners/ WTO in developing facilities and infrastructure at other ports.

The ADB is considering to provide technical assistance to the National Board of Revenue for the development of facilities and infrastructures at Sonamasjid, Sonahut, Tamabil, Akhaura, Teknaf, Haluaghat, Bibirbazar, Nakugaon, Shaola, and Darsana land customs stations.

On the other hand, Plant Quarantine Department is not currently receiving any assistance from any development partner.

(B) Cross-border agency cooperation:

No development partner has so far offered any assistance in the area of cross-border agency cooperation. SASEC program under ADB coordinates activities in different South Asian Countries.

Assistance required:

1. Negotiation and Consultation
2. Capacity development
3. Infrastructure
4. Automation

No development partner has so far offered any assistance in the area of perishable goods.
Assistance required:

1. Training
2. Capacity development

Again, Plant Quarantine Wing requires assistance for- (a) the preparation of a valid organogram of Plant Quarantine Authority in Bangladesh, and (b) the establishment of E-Phyto System.

10.4 Single window

C

10.4.1
10.4.2
10.4.3
10.4.4

Indicative date of implementation
30 June 2030

Definitive date of implementation
30 June 2030

Assistance required for implementation

The National Board of Revenue is currently implementing the project with loan assistance from the World Bank.
Assistance required:
1. Support for legislation
2. Consultation with stakeholders through workshops, seminars and round table meetings
3. Training
4. Capacity development
5. Coordination mechanism among intra and inter agencies is required
Again, ICT related assistance (both hardware and software) will be required at the ports.
Further, technical assistance for data standard management will be required at BCSIR.

Tags: *Information and communication technologies (ICT), Legislative and regulatory framework, Infrastructure and equipment, Institutional procedures, Human resources and training*

Donor Agencies: World Bank

Progress reported

Progress in the provision of technical assistance and capacity building support:

The National Board of Revenue is currently implementing the project with loan assistance from the World Bank.

The World Bank Group is providing loan assistance with respect to support for legislation, training, capacity development and consultation with stakeholders, and development of coordination mechanism.

However, the NBR appreciates any opportunity from other development partners/WTO for the relevant officials to participate in capacity development and training activities on Single Window.

Further, technical assistance for data standard management will be required at BCSIR. BCSIR is not currently receiving any assistance from any development partner in this area related to perishable goods. Therefore, it requires assistance highlighted above from the development partners/WTO.
