Technical Assistance detailled information

1.1 Publication

C

1.1.1 (a), (b), (c), (d), (e), (f), (g), (h), (i), (j)

Indicative date of implementation
31 December 2024

Definitive date of implementation
31 December 2025

Assistance required for implementation

• Review existing legislation
• Training for all relevant border agency officials in order to ensure a better understanding of international obligations, relevant domestic laws, and the role and types of information that agencies need to publish. This includes other provisions of the TFA, e.g. Article 6 disciplines on fees and charges
• Develop competencies of relevant units responsible for the publication of information
• Develop standard operating procedures (SOP) for publication
• Provide ICT infrastructure, including website development and agency linkages

Tags: *Information and communication technologies (ICT), Legislative and regulatory framework, Infrastructure and equipment, Human resources and training*

1.2 Information available through internet

C

1.2.1 (a), (b), (c)
1.2.2
1.2.3

Indicative date of implementation
31 December 2024

Definitive date of implementation
31 December 2025

Assistance required for implementation

• Conduct a study to take stock of the range of publications produced by border agencies and assess gaps
• Develop and implement policy guidelines and SOPs for the publication of trade-related information
• Assistance to prepare description of practical steps for import/export/transit/appeal procedures for import, export and transit for each relevant border agency
• Assistance to identify all required forms and documents
• Appropriate equipment and software systems for border agencies
• Relevant training for border agencies and users
• Raise public awareness of information available online

Tags: *Information and communication technologies (ICT), Legislative and regulatory framework, Infrastructure and equipment, Diagnostic and Needs Assessment, Human resources and training, Awareness-raising*

C

1.3.1
1.3.2
1.3.3
1.3.4

Indicative date of implementation
31 December 2024

Definitive date of implementation
31 December 2025

Assistance required for implementation

• Designate appropriate agencies or departments
• Train staff (including cross-training) on core competencies
• Train personnel on service delivery
• Train staff on enquiry point management
• Establish quality control standards and procedures, including fixed timelines
• Develop guidelines to cover the entire procedure (from the receipt of the request through to the dispatching of responses to the requesting party)
• Development and use of communication templates
• Establishing quality control standards and procedures, including fixed timelines for replies
• Acquisition of ICT and other equipment

Tags: *Information and communication technologies (ICT), Legislative and regulatory framework, Infrastructure and equipment, Human resources and training*

C

2.2

Indicative date of implementation
31 December 2021

Definitive date of implementation
31 December 2024

Assistance required for implementation

• Assistance to establish a legal framework for consultation purposes
• Provision of an expert to conduct a diagnosis of existing domestic and regional regulations, share best practices and build the capacity of the agencies involved
• Preparation of implementation procedures for all the agencies involved
• Sharing and dissemination of these new provisions
• Training of the relevant human resources in government agencies

Tags: *Legislative and regulatory framework, Diagnostic and Needs Assessment, Human resources and training, Awareness-raising*

C

4.1 (a), (b)
4.2
4.3
4.4 (a), (b), paragraph
4.5
4.6

Indicative date of implementation
31 December 2022

Definitive date of implementation
31 December 2025

Assistance required for implementation

• Assistance to develop an appeal policy and relevant procedures and/or to review the existing policy and procedures
• Technical assistance to develop policies to ensure effective appeal and review procedures
• Assistance to develop appeal procedures and to ensure that such procedures are shared with the business community
• Technical assistance to develop standard operating procedures
? Human resources/training:
• Technical assistance to develop and build the capacity of key stakeholders (border agencies) so as to ensure a better understanding of appeal and review procedures. Training for Appeals Committee Members, specialized judges, etc.
• Financial and technical resources for equipment and software, and expertise for developing an efficient electronic filing system

Tags: *Information and communication technologies (ICT), Legislative and regulatory framework, Infrastructure and equipment, Human resources and training*

C

5.1 (a), (b), (c), (d)

Indicative date of implementation
31 December 2024

Definitive date of implementation
31 December 2026

Assistance required for implementation

• Legal and regulatory review to determine compliance with this provision
? Business process analysis:
• Establish clear areas of responsibility and mechanisms for carrying out related duties and tasks, including in relation to the validity of confirmatory tests throughout the country and the procedure for notification of the component in the exporting country
• Develop and validate a manual on standard operating procedures
• Disseminate the manual to the institutions concerned, if possible online, with a view to clarifying their respective interventions
• Staff training on the management of the formal notification system, and on national and international best practices
• Organization of focused seminars for economic operators
• Build a globally accessible, instantaneous, ICT-based communication system for alert and information notifications, linking the food safety authority, the National Agricultural Quarantine Inspection Authority and border posts
• Strengthen mechanisms for ensuring the right to appeal or review

Tags: *Information and communication technologies (ICT), Legislative and regulatory framework, Institutional procedures, Human resources and training*

C

5.3.1
5.3.2
5.3.3

Indicative date of implementation
31 December 2024

Definitive date of implementation
31 December 2026

Assistance required for implementation

• Amend relevant laws/regulations and ensure traders have access to a second test
• Assistance to develop accreditation criteria and/or to identify laboratories with the capacity to conduct relevant test procedures
• Development of standard operating procedures, including with regard to appropriate sampling techniques and the manner in which conflicting results from second tests are to be handled
? Human resources/training:
• Capacity building for relevant border agencies, laboratory technicians and traders

Tags: *Legislative and regulatory framework, Human resources and training*

C

6.1.1
6.1.2
6.1.3
6.1.4

Indicative date of implementation
31 December 2024

Definitive date of implementation
31 December 2026

Assistance required for implementation

• Develop competence in using methodologies to quantify costs in order to justify fees and charges
• Develop a comprehensive training programme to periodically assess existing and new fees and charges
• Develop and publish a single list of all fees and charges related to imports and exports

Tags: *Information and communication technologies (ICT), Legislative and regulatory framework, Human resources and training*

C

6.2 (i), (ii)

Indicative date of implementation
31 December 2025

Definitive date of implementation
31 December 2026

Assistance required for implementation

• Technical assistance for mapping and costing the services rendered by Customs, and for developing a fair and transparent fee structure

Tags: *Information and communication technologies (ICT), Legislative and regulatory framework*

C

7.1.1
7.1.2

Indicative date of implementation
31 December 2023

Definitive date of implementation
31 December 2025

Assistance required for implementation

• Review existing legislation applicable to this Article
• Develop and publish procedures
• Consultations with stakeholders through workshops, seminars and round table meetings
• Training
• Capacity building for all border authorities

Tags: *Legislative and regulatory framework, Human resources and training*

C

7.2

Indicative date of implementation
31 December 2025

Definitive date of implementation
31 December 2027

Assistance required for implementation

• Review existing systems and policies and determine the feasibility of, and resources required to set up and operate, an electronic payment system
• Preparation of a strategy document for the development of e-payment
• Development of e-payment solutions (all banks)
• Drafting/amendment of all electronic versions of laws and the Finance Act in order to implement an electronic payment system
• Procedures - Assistance to develop relevant procedures in order to implement an electronic payment system and ensure it is used effectively
• Enhance the technological capacity of border and government agencies with a view to implementing an electronic payment system
• Development, set-up and installation of appropriate technology and equipment to put in place an electronic payment system

Tags: *Information and communication technologies (ICT), Legislative and regulatory framework, Infrastructure and equipment, Diagnostic and Needs Assessment, Human resources and training*

C

7.4.1
7.4.2
7.4.3
7.4.4

Indicative date of implementation
31 December 2022

Definitive date of implementation
31 December 2026

Assistance required for implementation

• Review existing legislation
• Assistance to develop a risk management strategy with target percentages of low/high risk cargo
• Assistance to establish operating procedures
• Drafting of risk management committee terms of reference
• Drafting of position description for staff involved in risk management and creation of a risk management unit
• Train customs and quarantine staff to analyse available transaction data from CMS, and to identify criteria for high-risk cargo
• Assistance in areas of risk management analysis with regard to data-gathering and criteria building
• Technical assistance and capacity building for the National Agriculture Quarantine Inspection Authority
• Develop risk profiles using available transaction data
• A sound compliance management regime needs to be implemented, including with respect to the ASYCUDA inspection reporting module
• The customs service requires technical assistance for training on targeting and risk-profiling
• Technical assistance to develop the capacity of relevant border agencies, so that they fully understand the risk management system and are able to apply it
• ICT assistance required to acquire and enhance the technological skills required to conduct a proper risk management process

Tags: *Information and communication technologies (ICT), Legislative and regulatory framework, Infrastructure and equipment, Human resources and training*

C

7.5.1
7.5.2
7.5.3
7.5.4

Indicative date of implementation
31 December 2026

Definitive date of implementation
31 December 2027

Assistance required for implementation

? Legal:
• Develop/review relevant legislation and policies for post-clearance audit (PCA)
• Develop procedures incorporating connectivity with risk management
• Develop a training plan/module for customs officials and agents and target groups
• Human resources/training: Capacity building and training for customs officials on post-clearance audit procedures
• Develop the data-analysis skills and knowledge of customs and border agency officials. Capacity building and training for customs PCA officials on auditing techniques and methodology
• Technological capacity building for border agencies with a view to PCA implementation and the incorporation of PCA into risk management programmes
• Provision of appropriate technology and equipment to help implement PCA
• Draft and implement a programme to raise the trading community's awareness of the role of PCA and PCA-related regulatory requirements

Tags: *Information and communication technologies (ICT), Legislative and regulatory framework, Infrastructure and equipment, Human resources and training, Awareness-raising*

C

7.6.1
7.6.2

Indicative date of implementation
31 December 2020

Definitive date of implementation
31 December 2023

Assistance required for implementation

• Assistance needed to set up systems to meet TFA requirements regarding the regular measurement and publication of average release times
• Assistance to develop procedures for the regular publication and measurement of average release times
• Creation of a committee comprising several agencies to measure the average release time for goods
• Training on designing, planning, conducting and analysing a Time Release Study for Customs and other border agencies
• Raise border agency officials' awareness of the need for cooperation during and after the Time Release Study
• Training and capacity building for staff/officials of the agencies concerned and economic operators on the interpretation of study results
• Assistance to develop and implement an automated system to eliminate inaccuracies in the measurement of time taken for processes

Tags: *Information and communication technologies (ICT), Legislative and regulatory framework, Diagnostic and Needs Assessment, Institutional procedures*

C

7.7.1
7.7.2 (a) (i), (ii), (iii), (iv), (i), (ii)
7.7.3 (a), (b), (c), (d), (e), (f), (g)
7.7.4
7.7.5
7.7.6

Indicative date of implementation
31 December 2023

Definitive date of implementation
31 December 2027

Assistance required for implementation

• Develop relevant legislation and policies that will allow for the creation of an authorized operators (AO) programme
• Develop proper procedures and criteria for the assessment of authorized operators that meet specified criteria within the framework of the AO programme
• Capacity building for all border agencies is needed to ensure full compliance with this measure
• Develop a monitoring framework through which Customs can establish and monitor operators' compliance
• Support for the design and implementation of an appropriate system for authorized economic operators
• Training of customs officers and relevant stakeholders in order to facilitate the establishment and smooth implementation of the authorized economic operator programme

Tags: *Legislative and regulatory framework, Human resources and training*

C

7.8.1 (a), (b), (c), (d), (e), (f), (g), (h)
7.8.2 (a), (b), (c), (d)
7.8.3

Indicative date of implementation
31 December 2023

Definitive date of implementation
31 December 2024

Assistance required for implementation

• Develop relevant legislation and policies
• Review/update standard operating procedures (SOPs)
• Develop instructions/SOPs
• Training for customs and border agency officials on clearance of commercial cargo at airports

Tags: *Legislative and regulatory framework, Human resources and training*

C

8.1
8.2 (a), (b), (c), (d), (e)

Indicative date of implementation
31 December 2028

Definitive date of implementation
31 December 2028

Assistance required for implementation

• Review and amend, if necessary, relevant legislation
• Review and create, if necessary, MOU between border agencies
• Review border procedures and cross-border operations in order to assess current situation
• Harmonization of different systems between bordering countries
? For both national and cross-border cooperation:
• Enactment of the relevant procedural regulations to guide operations
• Increased institutional capacity
• Review and, if necessary, improve infrastructure and equipment
• Training/capacity building for staff of the various regulatory agencies at borders
• Consultations with stakeholders
• Campaign to raise awareness of changes

Tags: *Information and communication technologies (ICT), Legislative and regulatory framework, Institutional procedures, Human resources and training, Awareness-raising*

C

10.1.1 (a), (b), (c), (d)

Indicative date of implementation
31 December 2025

Definitive date of implementation
31 December 2025

Assistance required for implementation

• Review/develop a legislative or administrative framework for periodic reviews
• Develop procedures and policies for reviews of formalities and documentation requirements
• Develop capacity in respect of the analysis of trade formalities and documentation and the impact of such formalities and documentation
• Establish consultation mechanism with all stakeholders (government and private sector)
• Programme to raise awareness of changes

Tags: *Legislative and regulatory framework, Human resources and training, Awareness-raising*

C

10.2.1
10.2.2
10.2.3

Indicative date of implementation
31 December 2024

Definitive date of implementation
31 December 2025

Assistance required for implementation

• Review and amend legislation if necessary
• Develop regulations and instructions
• Training for officials
• Programme to raise awareness of changes

Tags: *Legislative and regulatory framework, Human resources and training, Awareness-raising*

C

10.3.1
10.3.2

Indicative date of implementation
31 December 2025

Definitive date of implementation
31 December 2025

Assistance required for implementation

• Training and awareness-raising activities for customs officers on the use of WCO instruments and tools for the uniform implementation of the TFA by the customs administration
• Support to attend standard-setting meetings
• Training on existing international standards and related legal instruments (e.g. ECOWAS, WCO and ISO standards)
• Assistance to develop a coherent and consistent national policy for adopting and implementing international standards

Tags: *Legislative and regulatory framework, Human resources and training*

C

10.4.1
10.4.2
10.4.3
10.4.4

Indicative date of implementation
31 December 2028

Definitive date of implementation
31 December 2029

Assistance required for implementation

• Develop entire government single window policy/strategy
• Conduct feasibility study
• Review and update relevant legislative, institutional and regulatory framework of relevant agencies
• Analyse and harmonize business processes and data/documentation requirements for the import, export or transit of goods
• Development of an appropriate IT system
• Training for officials overseeing the establishment of, and using, the single window
• Training for other stakeholders
• Awareness-raising campaign

Tags: *Information and communication technologies (ICT), Legislative and regulatory framework, Diagnostic and Needs Assessment, Human resources and training, Awareness-raising*
