</tbody>
</table>

**Assistance required for implementation**

- Advisory support inter alia for the design of the relevant primary and secondary legislation and training on all aspects of this provision.
- Development of a methodology for determining the average release time (VTS) of goods based on the WCO methodology.
- Training of civil servants and customs inspectors and representatives in the field of average release time

**Tags:** Information and communication technologies (ICT), Legislative and regulatory framework, Human resources and training
### Assistance required for implementation

- Analyse the regulatory framework and develop policies to simplify authorization or licensing procedures, in line with international standards and good practice.
- Train civil servants and customs inspectors and representatives of economic agents in the field of simplified procedures on expedited shipments.
- Develop simplified customs clearance procedures for expedited shipments and ensure the necessary conditions for rapid and qualitative customs controls.
