10.4.2
10.4.3
10.4.4

Indicative date of implementation

31 December 2020

Definitive date of implementation

31 December 2023

Assistance required for implementation

Legal/Policy: All the policy mandate and legal requirements for a Vanuatu Electronic Single Window System have been identified in the prior and during the current phase of the Project.

Procedures: Implement the recommendations of the Inspection Report. Needed detailed documentation to be prepared during the course of the second phase of the Project.

Human Resource/Training: Technical Capacity Building training should continue to be delivered to Boarder Agencies, Customs officials and Business users.

Information and Communication Technology (ICT)

Funding is required to fund the development of the identified modules and requirements in the second phase of the Project.

Infrastructure/Equipment: The Vanuatu Electronic Single Window system is being housed in the Government's state of the art ICT infrastructure.

Funds will only be required to boost additional resources since the base is already taken care of.
