\[ 100.0\% \text{ rate of implementation commitments to date} \]

Developed country implementation obligations

In line with the provisions of the Trade Facilitation Agreement (TFA), developed countries are not eligible to benefit from the flexibilities to implement the Agreement contained in Section II. As a result, developed countries and any developing and LDC country/territory that choose not to use these flexibilities, are to implement the entire TFA by the time it entered into force.
